

Directions: Create **5 Sets** of Bib cards (10 cards total) prior to completion of your Research Essay.

Source Card: An index card that provides details (author, date written, website, etc.) on an article you found on the web (in MLA format).

Citation Card: An index card that provides a sentence from the article you found on the web (in MLA format).

How to make Bibliography Cards

Source Card *(Index Card #1):*

Write the correct bibliographical MLA reference for the Internet article.

EX. Smith, M. A. "They Were the Best of Times and the Worst of Times". 4 March 2010. The New York Times. 10 February 2014. <www.nytimes.com/articles/thebestoftimes.html>.

Citation Card *(Index Card #2):*

Write one sentence from the article you could use in a paragraph about the topic.

EX. The industrial revolution offered many technological advances that accelerated manufacturing **(Smith, 2010)**.

You will need five sets of cards. Example set below.
