

Monster Tool #2 How to Create Citations to Use in Your Paragraphs

HOW TO: *(Acceptable ways to denote another's work in your paragraphs.)*

D i r e c t l y q u o t e d :

According to Ferdman (2015), "consuming as many as five cups of coffee each day (400 mg) is tied to several health benefits".

"Consuming as many as five cups of coffee each day (400 mg) is tied to several health benefits" (Ferdman, 2015).

P a r a p h r a s e d :

According to Ferdman (2015), drinking several cups of coffee each day has health benefits.

Drinking coffee each day can be good for you (Ferdman, 2015).

This is how this article would be referenced for your bibliography page:

Ferdman, R. A. "It's Official: Americans should drink more coffee". 21 February 2015. The Washington Post. 23 February 2015.
